Professor Verner E. Suomi  
Space Science and Engineering Center  
The University of Wisconsin  
1225 W. Dayton Street  
Madison, Wisconsin 53706

Dear Vern,

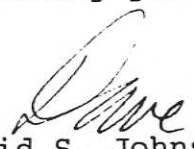

This is to confirm my plans to arrive in Madison on the evening of November 30. However, I am not sure yet of my flight and time of arrival. I am wait-listed on Northwest #379, a one-stop flight which arrives in Madison at 8:53 p.m. As a backup, I have a confirmed reservation on Republic #545 which arrives in Madison from Chicago at 7:07 p.m. I will telephone you later in the month, or on November 30, when I know which flight I'll be on.

I'm looking forward to meeting with you and Bill on Monday morning and seeing the preliminary results of the VAS experiment, prior to the Institute Board meeting. I plan to return to Washington on Monday afternoon.

Thanks for the kind invitation to stay with you and Paula Sunday night; I look forward to seeing both of you.

With warmest regards,

Sincerely yours,

David S. Johnson  
Assistant Administrator  
for Satellites
